REFERRAL PROGRAM

Receive a discount coupon from one of the advertisers and renewal discount points when you refer a Marine, FMF Corpsman, family member, or member of a Marine Corps Organization to the directory and they purchase an advertisement.

HOW THE ADS WORK

Scan or send me one of your business cards, or I can help you create a business card sized ad. Then provide me with the web address for the page that you want the readers to open when they click on your ad. Also provide me with a short description about your time in the Corps, how you are related to a Marine or FMF Corpsman, or tell me about the Marine Corps Veteran's organization you belong to. This information will be shown below your business card ad.

PROMOTION OF THE DIRECTORY

My commitment to you is that I will actively promote this directory so that consumers will know there is a source for quality businesses owned or operated by Marine Corps Veterans, FMF Corpsmen, their families and Members of Marine Corps Organizations.
